

# Quarter 1 Test

- Cumulative exam that covers Units 1 – 3
- 23 Multiple Choice and 3 Extended Response **(26 questions – 40 pts)**
- Counts as a single test grade but it may count twice by replacing your lowest test grade from the quarter.

The **Quarter Test Review** includes:

- Review Sheet (done at home)
- 3 Review Stations (done in class)
- Make sure you complete all the reviews and check your work with the answer keys.
- Optional Castle Learning Review (done at home)

To make sure that you are fully prepared for this test, in addition to completing the reviews, you should **redo all the problems from your unit tests, unit review sheets and Spiral Set A.**
